

YATTON UNITED CHARITIES

The Trustees of the Charity are able to make small grants to any resident of Cleeve, Claverham and Yatton who are in need of financial support due to their own limited funds. This includes the elderly, children, students, people with disabilities, learning difficulties, and people experiencing a sudden emergency in their life, for example through illness. Please note the Trustees are able to make emergency grants at any time. (The Trustees may request further information before deciding whether to make a grant and are unable to commit themselves to repeat any grant in subsequent years.)
