

Cleeve Parish Council is committed to maintaining the history and assets of Cleeve whilst striving to improve the quality of life for those living here.

Our aims are:

- ensure all planning applications are considered in terms of the climate emergency and biodiversity loss
- to manage finances in a transparent, efficient and effective way for the benefit of all residents.
- listen and work with the general public on what visions they have for Cleeve
- ensure Cleeve is a safe place for everyone, by reviewing roads, pavements and footpaths
- Conducting council business in an open manner and keeping residents informed of issues and events through Facebook, notice boards, meetings and the website.
