## CHAIRMAN'S WELCOME

April has been full on with well attended village activities and there's plenty going on in May too, so please come and support these events. Many thanks for the excellent responses to our request for memories and photos of the Queen's celebrations over the years, whether it be one of the Jubilees or her actual Coronation. There's still room for more, wherever you were celebrating, not just if you were in Cleeve, we would love to hear your memories, so please put pen to paper or email me by the 12th of May, as the collection of memories will appear in the June magazine. A date for your diaries: Sunday 5 June for the 'Platinum Jubilee Big Picnic' in Cleeve's Village Hall; maybe in 50 years' time, the editor of AAC will be asking for your memories of this day!

Lastly, throughout all our celebrations, spare a thought for the terrible situation in Ukraine. Libby, in Bishops Road, has had a tremendous response to the Ukraine Emergency appeal for various items but would welcome more, her poster also printed in this edition lists what is required.

*Elizabeth (Acting Chairman)*

## **HOLY TRINITY CHURCH - TEA AND CAKE AFTERNOON**

*WITH NEW & PRELOVED SALE*

**MONDAY 16 MAY 2-4pm - £2.50**

**BICKLEY, MAIN ROAD, CLEEVE**

Everyone is invited to an afternoon of tea/coffee and cake – and a chance to bag a bargain from a variety of goods – with a number of brand new items.

Even if you don't want to buy a bargain, it is chance to meet up for a chat with friends in the comfort of a marquee in the lovely grounds of Bickley.

However, we require numbers to help with the catering, so please book your place by ringing Lin on 838515, or Elizabeth on 07787781716.

Parking, including for disabled, on site.

## HOLY TRINITY LENT LUNCH

Thank you to everyone who supported Holy Trinity's Lent Lunch on Thursday 7th April, especially the small, but terrifically hard working, band of helpers.

A lively and lovely atmosphere surrounded Cleeve Village Hall as folks enjoyed the company and the food – various delicious soups, plus a cheese roll and a generous piece of pie – together with as many cups of tea and coffee as they could drink.

Thank you too to all those who generously brought along produce or made a cash donation to send to the Clevedon Foodbank. We are pleased to say that we were able to send a brilliant cheque for £343 from the event, plus a box of all manner of foodstuff and a box full of Easter Eggs.

Thanks again

KRAMER DURCAN DUO (VIOLIN & PIANO/ORGAN)  
SATURDAY MAY 21ST**

This concert is the final concert of the Yatton Music Society's Spring Season and will include music for everyone, played on the violin and accompanied on either the piano or organ.

**Miriam Kramer** is an American violinist of outstanding talent having played to critical acclaim in prestigious US and UK concert halls. Her six CDs are highly regarded and include the Editor's Choice in Gramophone Magazine. Miriam performs regularly on BBC Radio 3, Classic FM and has appeared on BBC television in a tribute to Yehudi Menuhin.

**Nicholas Durcan** is a prize winning piano and organ graduate from the Royal Academy of Music. His concert performances have included the principal London venues and international venues in the US, Europe, Middle East, Hong Kong.

For our concert Nicholas will accompany Miriam on both the piano and organ and their music will include popular music from the classical composers and Gershwin.

The concert starts at 7.30pm at St Mary's Church, tickets price £10, half price for students over 16, children free. Details of this concert and future events can be found on Yatton Music Society's website [www.yms.org.uk](http://www.yms.org.uk)

A West of England Rural Network Project, funded by North Somerset Community Renewal Fund, in partnership with Alive Activities & Cleeve Parish Council.

**Parking issues in Cleeve:** It seems that the issues around parking continue to present a challenge and it would be very helpful if, in the first instance, any illegal parking is reported: <https://forms.n-somerset.gov.uk/ad/form/parkingillegally#/1>

It is important to remember that, under the Road Traffic Act 1991, parking was decriminalised and civil enforcement of car parking regulations, is now carried out by civil enforcement officers operating on behalf of North Somerset Council rather than by the Police.

**CIL (Community Infrastructure Levy) Monies:** The Community Infrastructure Levy (CIL) is a new way of collecting financial contributions from developments towards the provision of infrastructure required to support growth in North Somerset. It has been in place since January 2018 and North Somerset Council CIL charges are based on a tariff of rates that have been set through public consultation and examination by the Planning Inspectorate.

Town and Parish Councils in North Somerset will receive a proportion of the CIL funds collected from developments in their Town or Parish.

In Cleeve we have received a payment relating to the re-development of the former Lord Nelson site.

The CIL Regulations state that a Town/Parish Council must use CIL receipts passed to it in accordance with Regulation 59A or 59B to support the development of the local council's area, or any part of that area, by funding:

- (a) the provision, improvement, replacement, operation or maintenance of infrastructure; or
- (b) anything else that is concerned with addressing the demands that development places on an area.

Cleeve Parish Council are consulting the community on any ideas they may have for projects. The ideas must be

- a) For the benefit of the community.
- b) No major infrastructure projects.
- c) Projects up to a value of £5,000.

We will also publish this request on our Facebook page and be available to discuss at parish "surgeries" when these re-commence. We will also review any issues which may arise once the new development is operational in Spring 2022.

Please submit your ideas by email to [cleveparishcouncil@hotmail.co.uk](mailto:cleveparishcouncil@hotmail.co.uk) or in writing to the following address. The Parish Council will give an update on selected projects in due course.

Cleeve Parish Council,  
33 Derham Park  
Yatton,  
Bristol  
BS49 4DZ.

**Air Quality Monitoring:** In liaison with North Somerset Council we have arranged to undertake Air Quality Monitoring particularly on the A370 in the area around the Lord Nelson/Tout's development. This is now in place and will give us a reference point ahead of the site being operational.

**Allotments:** Many years ago there were a small number of allotments available in Cleeve. We have had an email from a local resident expressing interest in taking an allotment on. This is likely to be a lengthy process to investigate viability, but we would be like to hear from any residents who may also be interested.

Please email me at [cleveparishcouncil@hotmail.co.uk](mailto:cleveparishcouncil@hotmail.co.uk)

**Dog Poo!!** Although most dog owners act responsibly there are still examples of instances of dog poo not always being picked up. Whilst this is, of course, anti-social it also is worth reminding dog owners that North Somerset Council have published local Public Space Protection Orders (PSPOs).

The orders state that if you are in charge of a dog you must as a minimum:

- keep your dog(s) under close control at all times
- carry a poo bag
- bag it and bin it – please don't leave bags hanging in trees or bushes
- keep your dog(s) out of children's play areas.

So how can we all do our bit to help turn things around?

- Help is at hand – in the form of a new free app called <https://poopersnooper.app/get-started>
- Pooper Snooper lets you highlight the problem of dog fouling wherever you are and puts dog fouling on the map! The app also allows you to record and find the location of bins so that it's easier than ever to find where to dispose of your doggy deposits.
- Communities can use this to highlight and monitor problematic areas and it is hoped that the data will better enable authorities to act, for example, by providing extra and/or better placed bins or by enabling the efforts of over-stretched dog wardens to be better targeted.

**Keep Cleeve Tidy:** Our Village Orderly, Caroline, does a great job in keeping the village litter free (although this is often an uphill task!). We would be interested to hear if there are any areas of the village which you feel need any special attention at any time. Also if you have any ideas to brighten up the village then please let us know by emailing me on [cleeveparishcouncil@hotmail.co.uk](mailto:cleeveparishcouncil@hotmail.co.uk) or on 07932 191964.

**Facebook and Website:** You will find us on Facebook if you search Cleeve Parish Council and like our page. We update various issues of local interest, and activities of the Parish Council.

We are also pleased to post a link on our website to view the current “All About Cleeve” each month.

I can be contacted on 07932 191964 and by email on [cleeveparishcouncil@hotmail.co.uk](mailto:cleeveparishcouncil@hotmail.co.uk) [www.cleeveparishcouncil.co.uk](http://www.cleeveparishcouncil.co.uk)

## ON OUR FARMS

This is the time of year when farmers start silage making. Silage is grass that has been mowed, dried, made into a big heap in a silage clamp and then sealed with polythene to preserve it. The polythene sheet acts as a barrier to stop air from having contact with the grass. It forms an environment where the grass is pickled and without contact with the air stabilises and maintains its nutrient value until the following winter ready for feeding. Not only does this require the skill of the farmer but a helping hand from the weather. Mowing is best done when the sun has warmed the grass a little and helped the sugar level increase. Turning and raking is best done after the grass has had the sun shine on it for twenty four hours or so. And, for perfection, a little breeze helps the grass dry. Once this has happened it is down to the farmer to chop the grass into small pieces using a forage harvester before hauling it to the silage clamp for ensiling. With the rocketing prices of fertilizer and animal feed this year, it is doubly important the grass is converted into silage the best it possibly can to reduce the need for purchased feed in the winter 2022 – 2023. This might mean a case of smaller harvests of grass but more of them from now until September. This is all very well for increasing the nutrient levels in the silage but means more fuel to make it. There is a balancing act with this. What is the most economic? Less fuel and slightly lower quality silage or use more fuel and get the best possible quality silage? Aside from this decision, farmers will be making the best possible use of their farm manures and slurry rather than purchase man made fertiliser. This might mean some manure being spread closer to the villages than it normally would be but it is in a good cause. Not only will it reduce the cost of production it will reduce the amount of fertiliser required to. A win win win for the farmer, consumer and the environment.

This time of year also heralds the start of the agricultural show season. The North Somerset Agricultural Society's annual show is the first in a long line of UK shows held each year. After a two year Covid break it is being held at the Society's showground near Wraxall on Monday 2nd May. There is something for everyone at the show. Lots of livestock in competition to see which ones are the best, main ring attractions, plenty of trade stands for those who want to go shopping, showjumping, tractor pulling and many other rural events. It's a great day out and right on our doorstep. For further information you can visit [www.nsas.org.uk](http://www.nsas.org.uk) For many, the North Somerset Show is the start of summer. Let's hope it's a good one and the trials and tribulations of the last two years of Covid dims into the past.

*Nick Green*

## FOCOS MYSTERY OUTING

Plans are well underway for our first outing since 2019. Whilst we have to finalise various matters, we do have a provisional date – **MONDAY 27TH JUNE** – so please pencil this into your diaries.

Confirmation and full details will appear in the June edition of AAC.

**A REVIEW AND PREVIEW  
MARTIN STEPHENSON AT CLEEVE VILLAGE HALL  
MARCH 19TH & SEPT 16TH 2022**

Live music returned with a bang to the Hall when the singer-songwriter and frontman to his band The Daintees, Martin Stephenson performed an intimate and heart-warming concert last month. Relaxed and informal, this was a night to enable the whole audience to be part of the experience. A sweet mix of humorous tales and songs from his extensive back catalogue, Martin was also joined on stage during the evening by the most excellent banjo playing luthier James Cole and singer-songwriter Anna Lavigne. Such a variety of musical genres were touched upon during the evening, as this is an artist who has never been pigeon holed with one scene, including pickin' ragtime, folk, blues, country and pure guitar pop. Highlights included a customary walkabout where Martin enjoyed taking his music in and amongst the audience, and superb versions of classic Daintees tracks such as 'Crocodile Cryer', 'The Little Red Bottle' and veteran comedian Billy Connolly's favourite, the touching ballad 'Rain'.

This evening also hosted a raffle and thanks to the generosity of all who attended, The Village Hall have been able to re-direct a grand total of £250 to the DEC for Ukraine. Due to popular demand for this sell out concert, Martin will be returning to Cleeve Village Hall on Friday September 16th so do not hesitate to email me at [cjoycealad@aol.com](mailto:cjoycealad@aol.com) if you want more info. There are a limited number of reduced price tickets for Seniors/students and the ticket link is - <https://www.wegotickets.com/sct/N8vbpetGYz>

## NAILSEA DISTRICT LEG CLUB

This is a community initiative to support anyone with lower legs issues; leg ulcers plus varicose veins, leg pain, skin problems and rashes, etc. Holistic treatment and a thorough review of leg concerns is given by nurses who are employed either by Tyntesfield Medical Group or Sirona, and the NHS provides dressings. A team of volunteers provides refreshments, social interaction and befriending to those who may be isolated at home due to these problems.

The drop-in clinic takes place on a Wednesday morning at Nailsea Tithe Barn. Holding it in a community setting rather than on medical premises or in the patient's home empowers members to participate in their care, in a social environment that eases loneliness by providing congenial surroundings where old friends can meet and new friendships formed. Although nurses and dressings are funded, rent has to be paid for the use of the Tithe Barn, plus the equipment bought and other incidentals such as refreshments, driver reimbursement and stationary paid for. We therefore have to rely on fundraising across the year, and some member donations and grants.

**Please note the clinic is only available to patients registered with Tyntesfield Medical Group**, and you may be encouraged to attend by your GP, Practice or District Nurse or you may have already heard of us. **Providing you are registered at Tyntesfield Medical Group all are welcome**, including carers and family members. Should you have difficulty getting to the Leg Club, we may be able to refer you to our volunteer transport scheme. Inevitably the **clinic closed** due to the pandemic and sadly nurses haven't been able to return yet due to pressure of their normal work load. **However volunteers have started running a social café at Nailsea Tithe Barn on Wednesday mornings 10.30 -12 noon** to enable everyone to meet up again and all those enduring these problems are welcome. It has proved to be very popular and there's always a happy, welcoming and sociable atmosphere

If you would like more information, please ring Carole Brooke on 01275 798619 or Sandy Riley 01275 853547.

## PLANT OF THE MONTH - PRIMULA AURICULA

Mountain cowslip or bear's ear might not sound familiar but if you say auricula, most plants people will be smiling. These delightful colourful primulas are a collector's dream. Whether you favour striped, border, double, edged, self or fancy, auricula do not fail to impress.

Look out for auricula specialists W&S Lockyer. The family nursery continues to be run by Simon and partner Louise after the passing of founder Bill Lockyer in 2016. The tradition of wearing Bill's trademark bowler hat continues. Displaying copper kettles is a nod to the 1830s; copper kettles were used to mark auricula flower shows and a 'best in show' prizes. With over 20 years of exhibiting and numerous Gold medals won, W&S Lockyer really has earned expert status.

Auricula first made an appearance in European gardens mid 16th century but became collectable in the 17th, 18th and 19th centuries.

Auriculas shy away from hot sun and drenching rain so are perfect for a shady garden spot with plenty of ventilation. Don't let their delicate form and exquisite colours fool you, originating from the European alps these alpines are tough little plants. Dormant over winter they launch into life for spring. Terracotta pots are ideal containers as they absorb water, drain and keep roots cool. Do not top dress with grit; let water evaporate naturally.

Shade is very important and that is one reason why auricula theatres became such a fashionable way to display them. Theatres are tiered display cabinets, often wooden with pots arranged vertically. Repot each year to refresh soil - just keep a look out for wine weevil!

Warning! Growing auricula can be addictive!

BAND  
CLEEVE VILLAGE HALL**

A night not to miss - relax, seated at tables with a licensed bar, listening to real life stories around the themes of music and his time working in the film business by guest speaker Mark Foster.

Then enjoy a special concert by Somerset folk & roots singer-songwriter Barry Walsh, renowned for his songs & stories about places of interest in the West Country such as 'Porlock Hill', 'Willow Man' and 'The Strawberry Line'. His music is played regularly on BBC Radio and Steve Yabsley of Radio Bristol placed Barry's Concorde song 'Beautiful Days' in his top 5 songs of all time. Performing for us with his band, complete with ukulele and fiddle, this will be a lovely local evening. Limited numbers so do book early to avoid disappointment.

Please email Anita Joyce for more information – [cjoycealad@aol.com](mailto:cjoycealad@aol.com) and the ticket link is <https://www.wegotickets.com/event/543654>

**TIP FROM CLEEVE NURSERY**

Harden-off annual bedding plants ready to plant out soon. Put them in a shady spot, keep well watered but bring them back inside if frost is likely. Keep a close eye on them and they will be toughened up ready to plant after about a week.

TIPS FROM CLEEVE NURSERY

Be ready to cover tender plants with horti-  
 cultural fleece if frosts are forecast. Check  
 the forecast every day this month.

Citrus plants will benefit from being out-  
 side from now until late August. Once ac-  
 climatised they will relish the sunshine!
