CHAIRMAN'S WELCOME

Many thanks to everyone that contributed to making the "The Platinum Jubilee Big Picnic" on Sunday 5 June such a success; photos of the event appear later.

Also, a very warm welcome to our new advertisers and many thanks for their support of our magazine.

Included this month is an article on Wood Burning Stoves. Articles or tips on green/eco matters will be much appreciated, given the impact of both Climate Change and rising energy costs.

Despite the gloomy global economic and political outlook, Cleeve has a wonderful landscape and natural "world" which I hope everyone explores and enjoys during their summer break.

Have a good Summer!

Elizabeth (Acting Chairman)

RENEWABLE HEATING AND FUEL ALTERNATIVES COMBAT CLIMATE CHANGE AND RISING ENERGY PRICES

The challenge of protecting our environment and making the most of household budgets feels like it's never been greater. It can be all too easy to put environmental concerns on the backburner when there are money worries too, but renewable options don't have to cost the earth.

Woodburners are a tried and trusted way to heat your home, with modern stoves being the most efficient and eco-friendly options ever.

The main environmental concern regarding woodburning stoves is the release of Particulate Matter (PM) into the atmosphere from burning wood or solid fuels, specifically PM2.5, and the effect this has on air quality.

A new wood burning stove emits up to 90% less emissions than an open fire and up to 80% less than a stove that is 10 or more years old, and burning the right fuel also makes a huge difference.

Here, Country Collection shares their top tips for reducing the environmental impact of new and old stoves alike:

- Ensure existing appliances are properly checked with an annual service by a HETAS registered competent tradesperson to make sure it's working safely and efficiently.
- When purchasing a new appliance, look out for HETAS Cleaner Choice approval. These stoves must meet more stringent emissions testing limits at multiple heat outputs in order to be approved.
- Burn 'Ready to Burn' fuel. This is wood verified to have a lower moisture content (up to 20%), or other solid fuels certified as meeting maximum particulate limits which are proven to reduce emissions. You can easily spot the right fuel by looking for the 'Ready to Burn' logo.
- Operate the appliance and burn fuel in accordance with the appliance manufacturer instructions.

CLEEVE & CLAVERHAM MOTHERS UNION

A reminder that the Cleeve & Claverham Mothers Union Worldwide Lunch will be held this year on Tuesday 26th July, from 12noon until 2pm in the Village Hall.

The meal, which is open to all, will consist of a hot main course, choice of pudding and tea/coffee. There will be a cake stall, a Bring&Buy stall and a raffle, so an enjoyable afternoon is guaranteed.

This popular Summertime event is by ticket only, so a call to Lin on 838515 or Andrea on 832458 will get you a ticket – priced at just £8

All proceeds are for the Mothers Union Worldwide Fund, which enables valuable work to be carried out both in the UK and abroad.

FREE ONLINE SESSIONS - FRIENDSHIP, CONVERSATION AND CREATIVITY

West of England Rural Network (WERN) has been running free online sessions, initially organised for isolated and vulnerable adults, since October 2021 and some participants are still coming back for more! Facilitated by storyteller and writer Michael Loader and Tina Huckle-Mills (author and WERN representative) these lively and convivial sessions run once a month giving the chance for conversation to flow and develop alongside the reading and sharing of poetry, spoken word and creative activities. You decide when you want to attend and to what level you want to get involved.

For more information contact Tina at tina@wern.org.uk or Michael at foolworks@yahoo.co.uk

NAILSEA DISTRICT LEG CLUB

On 1 June a very happy morning was spent celebrating the Queen's Platinum Jubilee, though it doesn't take much to have a buzzing morning at Leg Club. Flags, bunting, delicious homemade cakes plus scones with jam and cream were enjoyed by members, volunteers and visitors. A wonderful array of photos spanning the 70 years of the Queen's reign was on show, plus lots of books of specific royal events, and Chris Coppin played a selection of music from the '50s.

Established 7 years ago Nailsea Leg Club, normally provides advice and treatment, but due to continued pressure of coronavirus and vaccination programmes, this is undertaken at local GP surgeries and in homes. The Leg Club Café was therefore set up as a place for those with lower leg problems to come and enjoy some social interaction with others in a similar position.

An invitation is extended for anyone in this situation to join, you'll find a warm welcome, enjoy tea/coffee and treats, in a very convivial atmosphere. Guaranteed you'll feel uplifted by the time you leave. The Café is every Wednesday 10.30am – 12 noon at Nailsea Tithe Barn. Additionally transport can be arranged with one of our volunteer drivers, who may be able to collect and return you home.

If you'd like to come or need a more information, call Sandy Riley on 01275 853547.

TIP FROM CLEEVE NURSERY

Regular hoeing between plants in borders and in the vegetable patch will keep weeds under control and also reduce drying out of the soil.

PLANT OF THE MONTH - LAVANDULA ANGUSTIFOLIA, LAVENDER

No summer would be complete without Lavender. This low maintenance perennial is the epitome of a quintessential English country garden and is incredibly easy to look after. Introduced to the UK by the Romans, lavender originates from North Africa and the Mediterranean. It favours full sun, poor well-drained soil, and loathes being waterlogged.

This stunning perennial will shine for years with the help of a bit of pruning but eventually the shrub will get woody and need replacing. Popular English lavenders are Hidcote, Mustead and Folgate, all strongly scented vibrant hues and hardy to temperamental English weather. Lavandula dentata and stoechas, French and Spanish lavender, are not as hardy as their English cousin.

There is always the summer quandary - cut the flowers to dry and keep or leave them growing for the pollinators? If you can't make your mind up then do a mixture of both!

Lavenders essential oil promotes wellbeing, reduces anxiety and stress. its uplifting properties can help with depression, relieve headaches and its antibacterial qualities soothe insect bites and minor burns. Lavender's edible flowers are often used in cakes, icing and brewed for tea.

Having trouble sleeping? Place a few drops of lavender oil on your pillow and be sure of a restful nights sleep.

Lavender is used in everything from soaps to shampoos. Its antiseptic and anti-inflammatory properties have been utilised medicinally since ancient times and this fragrant herb is a stalwart of aromatherapy; prized by the Romans, Greeks, Egyptians, Arabs and Phoenicians. Containing around 100 phytochemicals, Lavender really is an incredibly versatile herb.

Note: lavender contains linlool and linalyl acetate which is toxic to cats, dogs and horses if ingested, with greatest potency in lavender's essential oil so keep it away from furry friends.

CLEEVE PARISH COUNCIL UPDATE

Council Meetings: Meetings are now held face to face on the 2nd Tuesday of each month (except August and December when no meetings are held).

All meetings will be held in Cleeve Village Hall in accordance with any Covid-19 regulations current at that time.

Details of meetings, agendas and minutes continue to be published on our website.

You can access our website at www.cleeveparishcouncil.co.uk

At the Annual Meeting of the Parish Council Ronnie Morley was re-elected as Chair with Ben Whistance being our Vice Chair.

Your other Councillors are Hilary Burn, Marianne Pitman, George Stringer and Geoff Pritchard.

Speed Limit reduction on Cleeve Hill Road: We are delighted to report that the work to install a 30 mph limit on Cleeve Hill Road is now scheduled to start on 24 June. There is no plan to close the road but residents will be advised of the dates when work will be completed and stop/go boards may be used as appropriate.

Traffic Strategy for Cleeve: A lively discussion took place at the Annual Parish meeting on the subject of traffic and we intend to issue a village wide survey shortly to gauge residents concerns and how these may be addressed. This will be available on line, Facebook and also via paper copies shortly.

Allotments: Many years ago there were a small number of allotments available in Cleeve. We have had an email from a local resident expressing interest in taking an allotment on. This is likely to be a lengthy process to investigate viability, but we would be like to hear from any residents who may also be interested. Please note anyone interested must be a Cleeve resident.

We have had some interest expressed but still are short of the number required. So, if you are interested then please email me at cleeveparishcouncil@hotmail.co.uk or call 07932 191964.

Parking issues in Cleeve: It seems that the issues around parking continue to present a challenge and it would be very helpful if, in the first instance, any illegal parking is reported to North Somerset via <https://forms.n-somerset.gov.uk/ad/form/parking-illegally#/1>

It is important to remember that, under the Road Traffic Act 1991, parking was decriminalised and civil enforcement of car parking regulations, is now carried out by civil enforcement officers operating on behalf of North Somerset Council rather than by the Police.

There have also been instances of parking on Pound Green itself and we wish to make it clear that this is completely unacceptable.

CIL (Community Infrastructure Levy) Monies: The Community Infrastructure Levy (CIL) is a new way of collecting financial contributions from developments towards the provision of infrastructure required to support growth in North Somerset. It has been in place since January 2018 and North Somerset Council CIL charges are based on a tariff of rates that have been set through public consultation and examination by the Planning Inspectorate.

Town and Parish Councils in North Somerset will receive a proportion of the CIL funds collected from developments in their Town or Parish.

In Cleeve we have received a payment relating to the re-development of the former Lord Nelson site.

The CIL Regulations state that a Town/Parish Council must use CIL receipts passed to it in accordance with Regulation 59A or 59B to support the development of the local council's area, or any part of that area, by funding:

- (a) the provision, improvement, replacement, operation or maintenance of infrastructure; or
- (b) anything else that is concerned with addressing the demands that development places on an area.

Cleeve Parish Council are consulting the community on any ideas they may have for projects. The ideas must be

- a) For the benefit of the community.
- b) No major infrastructure projects.
- c) Projects up to a value of £5,000.

We will also publish this request on our Facebook page and be available to discuss at parish "surgeries" when these re-commence. We will also review any issues which may arise now that the new development is operational.

Please submit your ideas by email to cleeveparishcouncil@hotmail.co.uk or in writing to the following address. The Parish Council will give an update on selected projects in due course.

Cleeve Parish Council,
33 Derham Park
Yatton,
Bristol
BS49 4DZ.

Air Quality Monitoring: In liaison with North Somerset Council we are undertaking Air Quality Monitoring particularly on the A370 in the area around the Tout's development. We therefore have a reference point ahead of the site being operational and this will continue now that the site is operational.

Dog Poo!! Although most dog owners act responsibly there are still examples of instances of dog poo not always being picked up. Whilst this is, of course, anti-social it also is worth reminding dog owners that North Somerset Council have published local Public Space Protection Orders (PSPOs).

The orders state that if you are in charge of a dog you must as a minimum:

- keep your dog(s) under close control at all times
- carry a poo bag
- bag it and bin it – please don't leave bags hanging in trees or bushes
- keep your dog(s) out of children's play areas.

So how can we all do our bit to help turn things around?

- **Help is at hand – in the form of a new free app called at <https://poopersnooter.app/get-started>**

- Pooper Snooper lets you highlight the problem of dog fouling wherever you are and puts dog fouling on the map! The app also allows you to record and find the location of bins so that it's easier than ever to find where to dispose of your doggy deposits.
- Communities can use this to highlight and monitor problematic areas and it is hoped that the data will better enable authorities to act, for example, by providing extra and/or better placed bins or by enabling the efforts of over-stretched dog wardens to be better targeted.

Keep Cleeve Tidy: Our Village Orderly, Caroline, does a great job in keeping the village litter free (although this is often an uphill task!). We would be interested to hear if there are any areas of the village which you feel need any special attention at any time. Also if you have any ideas to brighten up the village then please let us know by emailing me on cleeveparishcouncil@hotmail.co.uk or on 07932 191964.

Facebook and Website: You will find us on Facebook if you search **Cleeve Parish Council** and like our page. We update various issues of local interest, and activities of the Parish Council.

We are also pleased to post a link on our website to view the current "All About Cleeve" each month.

THE BIG PLATINUM JUBILEE PICNIC

The hall adorned with a gigantic Flag and bunting a-plenty, tables were set out street party style and at midday the celebrations began. With an amazing effort from so many volunteers – a raffle raised £200 for Hall funds, there were specially made crowns on every table and the hugest selection of delicious home-made cakes on offer to purchase. Our wonderful MC Steve Malloy entertainingly introduced the main event which was an old-fashioned singalong fronted by the very talented Kate McNab from The Ministry of Entertainment, joined on delightful honky tonk piano by Matt Bacon. All tables were provided with original vintage songbooks from The Lord Nelson Pub and it was heart warming to see everyone joining in with gusto! Kate perfectly balanced her own outstanding vocals with encouraging audience participation...a snapshot of songs covered are Side By Side, Sweet Molly Malone, Lambeth Walk, Coconuts and an especially skilful dual singalong of half the room tasked with Tipperary and the other section attempting Pack Up Your Troubles. Cleeve nailed it! There was a rip-roaring duet when Kate invited Mike Wadge to join her singing Underneath The Arches and a rousing finale of Land Of Hope And Glory and God Save The Queen. It was heart-warming to see many new faces at the Hall and we hope you will return and give us the chance to welcome you back at one of our other entertainment events.

A Night of Storytelling and Folk Music with The Barry Walsh Band

All welcome to our Village Hall fund raising evening. Plenty of tickets left.

Enjoy a special concert by Somerset folk & roots singer-songwriter Barry Walsh, renowned for his songs & stories about places of interest in the West Country such as 'Porlock Hill', 'Willow Man' and 'The Strawberry Line'. His music is played regularly on BBC Radio and Steve Yabsley of Radio Bristol placed Barry's Concorde song 'Beautiful Days' in his top 5 songs of all time. Performing for us with his band, complete with ukulele and fiddle, this will be a lovely local evening. Thanks in advance for your support.

TIPS FROM CLEEVE NURSERY

Feed rose bushes. Spread a handful or two of Toprose fertiliser around the plants and lightly hoe it in. Remove dead flowers and the tip of each shoot to encourage a strong new shoot to grow. This will give you a good show later.

Prune Climbing and Rambling roses by cutting out old shoots that have flowered [and weak ones that haven't]. Cut back hard to encourage new shoots to appear. These new shoots will carry next years' flowers.

HOLY TRINITY CHURCH – TEA/CAKE AND SALE AFTERNOON AT BICKLEY

Over 50 people enjoyed a delightful afternoon at Bickley, with great cakes to munch with their tea and the chance to bag a bargain off of the New/pre-loved stall, plus the excitement of an excellent raffle.

Thanks to all who came along to support, to those who helped in any way, which enabled a £326 profit to be made, which will help to pay for the gable repairs on the west nave.

1ST CLEEVE GUIDES

In May, members of the 1st Cleeve Guides, together with a group of Backwell Brownies (plus 10 leaders) set off for a weekend of adventure at PGL Liddington.

As the coach approached our weekend destination the noise and excitement rose to another level. After we dropped our bags into our rooms, we headed straight for the canteen for tea, before meeting our PGL group leader for our first evening event, which was a PGL sports and games night. We played multiple team games including ultimate frisbee, noughts and crosses and the big beanbag catch & run game.

We woke early on the Saturday morning and were delighted to see that the sun was already out! On Sunday the weather was a little more overcast, but that still wasn't going to put us off.

On both days after breakfast we headed off to meet our PGL leader, who introduced us to the activity leaders. Over the 2 days the Guides and Brownies enjoyed six fantastic sessions including canoeing, climbing Jacobs ladder; they completed the crate staking challenge and problem solving activities, tried fencing and they flew through the air on a zipwire! We also found time for a disco on the Saturday evening, which everyone really enjoyed.

We headed home on the Sunday afternoon, with some very tired 1st Cleeve Guides, but who were incredibly proud of their achievements. Everyone had a fantastic & exciting weekend away.

Stressed? Anxious? Need support?
 BodyTalk is a holistic health care approach, promoting the body's self-healing abilities. Every cell in the body is in communication with every other cell in the body. Although the body knows best how to heal, when communication breaks down due to stress, anxiety or illness, that ability to self-heal becomes limited. BodyTalk techniques provide insights to the areas of your body that need attention. Treating symptoms is only a compromise, for the real power of healing lies innately within your bodymind.
