

Cleeve Parish Council update

Bristol Airport

The latest information on the potential date for determination of the Bristol Airport planning application is November or later. Anyone who is interested in the application can view new documents which have been recently placed on the planning page on the issue of ecology. This includes the Habitats Regulations Assessment. There is still time to put an objection to Bristol Airport application at North Somerset Council. The reference number is 18/P/5118/OUT.

Councillor Surgeries

In September we held our first Councillor surgery. We had 2 representatives from Bristol Airport who were busy the whole-time answering questions from members of the public. We also had our area manager from North Somerset Council who was able to help with questions regarding highways and potholes.

We will have held our second drop in session by the time this article airs which we are hopeful will also be a success.

The next Drop in session will be Friday 29th November, this will be our last one for 2019, it will be held in the annex room at the village hall between **9.30am-11.00**. Come along for a chat, a question or just a cup of coffee.

WERN- West of England Rural Network Village agents.

Village agents link people in rural areas to advice and support services for independent living. For more information contact your local Village agent on: 07967 345922 or email them: tina.huckle-mills@curo-group.co.uk.

Backwell and Wrington Neighbourhood Beat Team

Please find names and email addresses below for Cleeve's local Beat team.
