

THE ANCIENT PARISH OF YATTON UNITED CHARITIES

GRANTS

The Trustees of the Charity are able to **make small grants** to any resident of Cleeve, Claverham and Yatton who are in need of financial support due to their own limited funds. This includes the elderly, children, students, people with disabilities, learning difficulties, and people experiencing hardship in their life, for example through illness. The main grant applications are dealt with annually in September with a closing date of 31st August. If there is a need, grants can also be considered throughout the year. Please note this may take a few weeks to arrange. The Trustees may request further information before deciding whether to make a grant and are unable to commit themselves to repeat any grant in subsequent years.
